October 1998 - October 2003		Mechanic
October 1998 - October 2003	United States Marine Corps San Diego, CA	Sergeant Third Marine Airwing

### CLINICAL PROGRAM NARRATIVE

---

My current clinical focus is undergraduate nursing students, with a concentration toward acutely ill patient populations. I hope to role model critical thinking and help my students connect course content to higher level interventions and complex pathologies. This coincides with the mission of the College of Nursing to provide innovative education that will ultimately improve state, national, and global health.

### AWARDS, HONORS, AND FELLOWSHIPS

---

2020	NMNEC Albuquerque, NM	Anita Reinhardt Teaching Award, Nominated
------	--------------------------	---

### RESEARCH PROGRAM NARRATIVE

---

As a new faculty, I am still exploring the different avenues available to me to contribute to current research interests/programs at the College of Nursing. Interprofessional collaboration and building resiliency among nursing students are two nursing interests of mine.

### FUNDED RESEARCH & CREATIVE ACTIVITIES

---
