	Spring, 2020

### **Teaching Innovation and Curriculum Development**

429 - Healthcare Ethics for Nurses    June 2017 - Present    New Course

### **TEACHING NARRATIVE**

---

Being reminded of the challenges students face in online learning because of my personal enrollment in a semester long course, is always a humbling experience. I am continuing to gain skills and perspective as an educator and a student. My revision of my courses is ongoing and personal reflection helps ensure that learners are front and center. I am a facilitator guiding students to see their potential and realize their goals in becoming better nurses.

### **SPECIALIZED TRAINING**

---

#### **Languages**

English (Native or Bilingual)
